

Training and Placement Cell

From TPO DESK

Greetings from K K Wagh College of Food Technology, Nashik..!!

Dear Parents, students and well-wishers of the K K Wagh College of Food Technology family- my prayerful greetings to all of you. First and foremost I would like to express my deep sentiments of gratitude to every one of you for your constant support, love and concern towards the college which enables and encourages us to strive hard to carry forward the mission of spreading value-based knowledge to one and all. We hope this message finds you in good health and high spirits. As the Training and Placement officer at the K K Wagh College of Food Technology, Nashik, we are thrilled to inform you about the incredible training and placement opportunities available to you.

At the K K Wagh College of Food Technology, Nashik, we strive to provide our students with the best academic foundation and practical skills to excel in the field of food technology. Our industry-oriented curriculum, state-of-the-art facilities, and dedicated faculty ensure that you receive a comprehensive education in this dynamic sector.

We are delighted to announce that esteemed multinational organizations from the food industry such **Parle Pvt Ltd., Nestle Pvt Ltd., Sula vineyard Pvt Ltd., Amul Pvt Ltd., Fortune Food Pvt Ltd., ADF foods Pvt Ltd., Sahyadri Farms Pvt Ltd.,** etc., have expressed keen interest in recruiting students from our institution. These companies recognize the talent and potential present within our student community and are excited to offer internships, training programs, and lucrative job placements.

Here are some key highlights of the training and placement opportunities we have in store for you:

Industry-Driven Internships: We have established strong collaborations with leading food companies, both regionally and nationally, who offer internships during your course of study. These internships provide valuable hands-on experience and a chance to apply your theoretical knowledge in real-world settings.

Campus Recruitment Drives: Renowned companies will be visiting our campus to conduct recruitment drives for final-year students. These organizations are known for their industry expertise

and offer excellent career prospects, competitive remuneration packages, and a stimulating work environment.

Industry Interaction: The placement desk establishes and maintains relationships with agricultural and allied industries, government organizations, research institutions, and other potential employers. They may organize guest lectures, workshops, seminars, and industrial visits to foster industry-academia collaboration.

Preparing Students: The placement desk assists students in developing the necessary skills and knowledge required for securing employment. This may involve conducting training programs, career counseling sessions, and mock interviews to enhance students' employability and help them make informed career choices

Skill Enhancement Programs: To further enhance your employability, we organize various skill development workshops, seminars, and guest lectures by industry experts. These programs will equip you with the latest trends, technologies, and best practices in the field of food technology.

Resume Building and Preparation: The placement desk guides students in creating effective resumes that highlight their educational qualifications, skills, research projects, internships, and any other relevant experiences. They may also offer assistance in drafting cover letters and preparing portfolios, if required.

Personalized Career Counseling: Our dedicated career counselors are available to guide you in making informed decisions about your career path. They will provide individualized assistance in resume writing, interview preparation, and overall professional development.

Job Notifications and Internship Opportunities: The desk disseminates information regarding job openings, internship opportunities, and research fellowships to the students. They may share notifications via bulletin boards, emails, or dedicated portals to keep students updated about the latest opportunities.

Placement Support: The placement desk provides support during the placement process, acting as a bridge between students and potential employers. They may coordinate interview schedules, facilitate pre-placement talks, and offer guidance to students throughout the selection process.

Warm regards,

Prof. N. N. Talpade
